Re: Application for Continuing Education Credits

Dear Mr. Derouen,

2016-0074

The Rural Community Assistance Partnership (RCAP) will provide two trainings on March 14 in Morehead, Kentucky and on March 16 in Maysville, Kentucky. These sessions will offer six (6) hours of continuing education credits. We have already received approval from the Kentucky Board of Certification of Wastewater System Operators and the Kentucky Board of Certification of Water Treatment and Distribution System Operators.

With this letter and enclosures, RCAP respectfully requests that this training be approved for continuing education credit for commissioners as referenced in regulation 807 KAR 5:070.

Should you require additional information, please advise me at khpadgett@capky.org or 502.875.5863. Thank you for all of your assistance.

Sincerely,
